

40-HOUR CIT TRAINING

OVERVIEW

Crisis Intervention Training (CIT) is an intensive 5-day session that provides law enforcement with the knowledge and skills for responding to a person during a mental health crisis. The training is conducted by local CIT trained officers, mental health professionals, family advocates and consumers; offering practical techniques for de-escalating crisis situations.

TOPICS TO BE COVERED:

- Mental illness signs and symptoms
- Childhood mental health disorders
- Dealing with the dually-diagnosed
- Mental health law
- De-escalation techniques

Participants will hear from consumers and family members, participate in mental health ride-alongs and practice scenario based training.

ATTENDANCE REQUIREMENTS

Participants are required to attend all 40 hours to receive a certificate of attendance, CIT lapel pin, and CIT challenge coin. If an officer has to appear in court, please email [Jodi Long \(jlong@mcadamhs.org\)](mailto:jlong@mcadamhs.org), to make up the missed sections/lessons.
