

INSTRUCTIONS

Form 100

Section A.

"Client" is the individual who is to be enrolled in MACSIS and/or GOSH.

"Financial Party" is the individual responsible for paying the bill for services.

It is possible for the Client not to be the Financial Party. If this is the case, provide answers to the Medicaid/Insurance questions for the Financial Party if the insurance also covers the Client.

Section B. Financial Party

"Financial Party" is the individual paying the bill for services.

It is possible for the Client not to be the Financial Party. In the case of services being provided to a client under the age of 18, typically their parent or guardian is responsible for payment.

"Family Size" is equal to the Financial Party's IRS 1040 tax exemptions.

Section C. Income of Financial Party

This section is completed by combining all applicable incomes of the members listed in the box titled "Total Exemptions" (your family). Your family should mirror your tax return.

All income listed in this section must be verified by acceptable documentation such as paycheck stub, employer payroll record, IRS 1040 form, bank statement, court record or bona fide documents that can be used to validate income.

To calculate Section C, Row 1 (Wages, salaries, tips, etc.), use Form 100-1, Income Worksheet.

Section D

There is a space provided for the Financial Party and Agency Staff to sign and date the form.

Both signatures are required.

Form 100-1 Income Worksheet

This worksheet is required for converting paystub information into a monthly income to be entered in Form 100, Section C, Row 1 (Wages, salaries, tips, etc.).

An auditor from the Board must be able to verify the documentation and come up with the same result for monthly income as it appears on this application, Form 100.

Form 100-2 Zero Income Self-Declaration

This document is required if the Client/Financial Party is claiming zero income.

This Zero Income Self-Declaration form must be completed in its entirety and updated six months after signature or when the Client's/Financial Party's circumstances change.

Form 100-3A&B Exclusions Worksheet

This worksheet is required when calculating expenses that may be excluded from the gross monthly income amount to arrive at an Adjusted Gross Monthly Income total on Form 100, Section C.

Annual amounts are collected for each eligible Exclusion and totaled in Box. A.

Divide the Annual Amount in Box. A by 12 to get a Total Monthly Exclusions Amount in Box B.

Individual/Family Non-Medicaid Behavioral Health Care Subsidy Application
Income Worksheet

This worksheet is provided to assist in calculating the **monthly** income that is to be entered onto Form 100 under Section C, Row 1 (Wages, salaries, tips, self-employment income, etc.).

People typically are paid once a week, once every two weeks, or twice a month. Select the appropriate option to calculate the Financial Party's gross pay and fill in the boxes. (Only one calculation is needed per paystub).

Provide this **monthly** income calculation for every paystub of every working member of the Financial Party's family. Use additional copies of this form if necessary.

		Date of		
		paystub:	_____	
Monthly Income Calculation	Weekly Gross Pay	weekly pay box \$	multiplied by 52, divided by 12 =	\$
	OR			
	Every 2 Weeks Gross Pay	every 2 weeks \$	multiplied by 26, divided by 12 =	\$
OR				
Twice a Month Gross Pay	twice a month \$	multiplied by 24, divided by 12 =	\$	

		Date of		
		paystub:	_____	
Monthly Income Calculation	Weekly Pay Gross	weekly pay box \$	multiplied by 52, divided by 12 =	\$
	OR			
	Every 2 Weeks Gross Pay	every 2 weeks \$	multiplied by 26, divided by 12 =	\$
OR				
Twice a Month Gross Pay	twice a month \$	multiplied by 24, divided by 12 =	\$	

After you have entered the paystub information into the boxes above, add the amounts in the above boxes into the Total Monthly Income Box below.

Enter this total on Form 100, Section C, Row 1 (Wages, salaries, tips, etc.)

ADAMHS Board for Montgomery County

Individual/Family Non-Medicaid Behavioral Health Care Subsidy Application

Exclusions Worksheet

This worksheet is provided to calculate expenses that may be excluded from the gross monthly income amount to arrive at an Adjusted Gross Monthly Income total on Form 100, Section C.

All expenses listed in this section must be verified by acceptable documentation such as original receipts, checking or credit card statements, court records or other documents that can be used to validate qualifying expenses.

Healthcare expenses greater than 10% of gross monthly income

This allowance can be used in cases where the individual or family is incurring healthcare expenses that are not covered by insurance or government entitlements. In order to qualify, the applicant must produce current bills of expenses. Bills must be attached to this form.

Enter Annual Amount \$

Child and dependent care expenses

This allowance may be taken at 100% of actual expenses. In order to qualify the applicant must produce receipts of expenses paid.

These receipts would exclude any payments made on your behalf by another agency or government entitlement program.

Enter Annual Amount \$

Court ordered obligations such as garnishment, restitution, child support, alimony, etc.

This allowance may be taken at 50% of actual expenses. In order to qualify, the applicant must produce receipts of expenses paid.

Enter Annual Amount \$

College tuition, books, room & board expenses above \$425 per month

This allowance may be taken for any expenses greater than \$425 per month.

In order to qualify, the applicant must produce evidence that they or a dependent that they claim as a deduction on their federal income tax return (Form 1040, etc.) is enrolled in an accredited institution of higher education in addition to producing receipts of such expenses paid minus any grants and scholarships.

This allowance may be calculated by averaging expenses over twelve months to arrive at an annual expense after grants and scholarships.

Enter Annual Amount \$

Catastrophic Life Events

In a catastrophic family situation resulting from fire, flood, or storm, damage to the family residence or other circumstances which create an unusual demand on the family's income during the period of treatment.

Enter Annual Amount \$

Clinical Needs

In situations where a member who has, based on clinical assessment, been diagnosed with more serious disorders, and/or been determined to be dangerous to self or others. **Please contact Beverly Tanamachi, 937-443-0416 ext 125.**

Comments:

Long-term care expense above \$425 per month

This allowance may be taken for any expenses greater than \$425 per month.

In order to qualify, the applicant must produce receipts of expenses paid.

Enter Annual Amount

ADAMHS Board for Montgomery County

Name

Sliding Fee Allowance Form Worksheet

Social Security Number

Jail

Clients who do not meet sliding fee income requirements and are in jail will be approved and entered into GOSH for a 7 day eligibility period. If services are going to be provided beyond the three days for a client who will remain incarcerated, additional eligibility spans may be requested as needed. Agency staff should request no more time than expected on the allowance from (i.e. 7 days, 10 days). Additional eligibility spans will be approved for up to 30 days per request. A new Sliding Fee Allowance form should be submitted each time the eligibility needs to be extended.

Initial Request
7 days

Add'l Span
Number of Days Max 30

Non-Covered Medicare Services

Clients who have Medicare will be required to apply for Medicaid to determine eligibility. The non-covered Medicare service(s) should be billed to Medicaid. Agencies have to verify eligibilty via MITS and upload documentation into GOSH.

One-Time/Drops Out of Treatment

For clients who only attend one session or very few sessions (i.e. 30 days) and drop out of treatment before Medicaid can be obtained, the agency can apply for coverage for the sessions. Clients who are in ongoing treatment and have not received Medicaid coverage should be able to document Medicaid application.

Non-Retroactive Medicaid Approval

For clients who do follow through with the Medicaid application but who do not receive retroactive approval, the Board will consider coverage for the period of time that services were provided during the application period. Agencies should take necessary steps to assure that clients understand the application process to assure that services are covered by Medicaid whenever possible.

Crisis

Clients who are seen in crisis will be entered for a three day eligibility period. If the client follows up with the agency after the initial crisis contact, regular sliding fee documentation/Medicaid application should be completed retroactive to the crisis date.

Comments:

Introduction/FAQ'S

The Montgomery County community supports a human services levy which may assist a person who would not otherwise be able to afford behavioral health services. Assistance may cover the full charge or a percentage of the charge based on your household size and income. We do this through a network of mental health providers commonly referred to as Providers. Someone from the office of the Provider is available to assist you in completing your application for Subsidy Assistance funding. To qualify for assistance you will need to fully complete an application for Subsidy Assistance, here on named Assistance. For the application to be complete, you must provide supporting proof of income documentation or complete a statement that you receive no income at all. Make copies of your proof of income and either attach to or have them accompany the Subsidy Assistance Application.

Subsidy Assistance Commonly Asked Questions

What is meant by household size?

All persons listed on your most recent IRS tax return. In the case of a minor, it would be the tax return where they would be listed as a dependent. A household to us will match what you describe as your household to the Internal Revenue Service. In cases where the tax return is Married Filing Separate where you have lived apart from your spouse for the last 6 months, we would include only those names listed on the patient's or responsible party's tax return.

How often do I need to apply for the Subsidy Assistance?

It depends on whether you have or do not have income. If you do not have income you must reapply every six months. If you have income you must apply every 12 months and in either case you must reapply if there is a change in the number of people or income status in the total household.

If I do not want to divulge financial information, am I still eligible for Subsidy Assistance?

Patients are not obligated or required to participate in the Subsidy Assistance program and will subsequently be selected as "Self Pay" status and responsible for all charges in total incurred during any office visit for any purpose.

What is to be included in income?

Wages, salaries, tips, income from odd jobs, taxable interest, pension, annuity or IRA distributions and Social Security, business income, farm income, capital gains, other gains or losses, unemployment compensation, ordinary dividends, alimony received, rental real estate, royalties, partnerships, S corporations, trusts, etc., Taxable refunds, credits and other income.

What is considered acceptable forms of receipts?

Under an allowable exclusion, health care expenses, supportive documentation in the form of is acceptable: 1. bills with previous months payment reflected. 2. receipt(s). 3. copy of checks or money orders. 4. bank statement reflecting an EFT payment for healthcare expenses. For Child & Dependent Care Expenses, documentation in the form of a receipt(s) or statement from caregiver of expenses paid.

I have no income...Am I eligible for Subsidy Assistance?

If a household is claiming no income for the past three months, then the client or responsible party must provide documentation to show or provide a signed statement attesting to the lack of funds for how the household has been supported for the last three months. In most situations in order to receive subsidized services from the Board the client has to prove they are not eligible for Medicaid.

I am eligible for Medicaid, am I eligible for Subsidy Assistance?

The answer is both Yes and No. It depends on the service description. Subsidy will not pay or partially pay for those services covered by Medicaid because ADAMHS Board for Montgomery County is a payer of last resort. Yes, a client is eligible for subsidy for those services not covered by Medicaid or Medicare.

I am eligible for Medicare, but unable to afford the cost of Medicare, am I eligible for Subsidy Assistance?

No. Patients eligible for Medicare are not eligible for ADAMHS Board Subsidy Assistance because ADAMHS Board is a payer of last resort. The exception to this is that many services the Board offers are not eligible for Medicare or Medicaid reimbursement. In those cases, for those services the client would be eligible for Subsidy Assistance. If you are having difficulty affording the cost of Medicare, we can refer you to an agency that may be able to help with your individual situation. You may be eligible for a specific Medicaid that picks up the Medicare premiums.

I have applied for Medicaid or Medicare, but am I eligible for Subsidy Assistance until I am accepted/denied by Medicaid or Medicare?

Yes. As long as you have application on file and a copy is maintained within your record at the provider's office, you are eligible to receive services under the Subsidy Assistance.

I have Medicaid with a spend down; may I apply for Subsidy Assistance?

Yes, if you have a spend-down with Medicaid, we consider you to be uninsured until the spend down is met. Once the spend-down is met, the Subsidy Assistance will become mostly inactive and most all charges for the patient will be billed to Medicaid with the exception of a service that Medicaid does not list as a covered service. This agency will not send any part of the claims under the Subsidy Assistance to Medicaid to be applied toward their spend-down. You may obtain a receipt for the amount paid to this agency and submit that to Medicaid.

If I have high deductible Health Insurance, may I apply for Subsidy Assistance?

Yes, if you have insurance, you are considered uninsured until the deductible is met, which is subject to the sliding fee scale.

If I have an office visit co-pay Health Insurance, may I apply for Subsidy Assistance?

Yes, if your insurance requires office visit co-pay, you are considered eligible for the Subsidy Assistance. You'll be instructed to pay your visit co-pay to the ADAMHS Board's Community Mental Health Center. The mental health provider will submit a claim to the insurance company for payment.

The provider will submit a claim to the ADAMHS Board for the agreed upon unit rate less your office visit co-pay, less the portion received from the insurance company. This information is subject to an review by the Board staff.

Introduction/FAQ'S - continued

What if I do not file taxes?

You will need to provide acceptable documentation that clearly demonstrates that someone is a dependent.

What if I am separated from my spouse?

The Board will adhere to the IRS Guidelines regarding legal separation which states that a separation agreement must be in place or you must have lived apart from your spouse during the last 6 months. If you are legally separated, the sliding fee determination will be based solely on the clients income. If there is no legal separation and you have not lived apart for the last six months, income from both spouses will be used to determine financial liability.

Do we have to attach a copy of the Medicaid card or can we simply write in the numbers?

The more documentation that we have, the better. This will be subject to chart review when ADAMHS does their audit. We may need to consider some type of secure phone/computer application that allows for a picture to be taken and attached to the file.

Our SSI clients do not file taxes, how do we complete Tax Filing Status?

Mark whichever box would be applicable if they were to file.

On the Zero Income Declaration Form, what if the client doesn't pay for one or more of these bills?

Place a zero in all boxes that the client does not pay so ADAMHS is ensured that we asked the question. If this form is not applicable, zeros are not necessary.

On the Zero Income Self-Declaration Form, do all household members have to sign off on this?

No. Although all income has to be included, the client can sign off and validate the income amounts.

Do we have to have written receipts/documentation for Catastrophic Life Events and Clinical Needs?

If the clinician has clear and convincing reason to believe that one of these two scenarios exist, they are to document it in the chart and request an ADAMHS review. ADAMHS staff will promptly review the scenario to ensure that the determination is appropriate. While we are awaiting the review process, the client income will stand as accurate for billing purposes. If it is possible to provide written evidence (ie receipts), then copies attached to the form will be helpful for the review process. For Clinical Needs, please call Beverly Tanamachi at 937-443-0416 ext 125 and a staffing of the case will occur. Discretion is permitted to approve less or more than 90 days depending upon the case situation. For Catastrophic Life Events, please call Jonathan Parks, 937-443-0416 ext 110.

What do we do if the client does not have a copy of their paystub with them?

Clients should be required to show a copy of their paystub(s) before the Income Worksheet is completed. If they do not, they will be required to pay 100% of the billable service. Once they show proof, this can be corrected.

Regarding "Recertification period?" Isn't this just a way of saying that all clients receiving a subsidy need to have one, since it's the beginning of a new year?

If you've already recertified the client for the year, then don't do it again. However, once this is put into action, all re-certs should include the new financial format so that we can document such in an audit.

How often are the Financial Forms updated?

Financials will need to be updated every six (6) months (from date of Financial exception approval) for Financial Exceptions and Zero Income Declarations.

If the responsible party has income above 230%, can payment for behavioral health treatment be allowed to place clients within the sliding fee schedule?

Yes. Financial exceptions are permitted to determine Adjusted Gross Monthly Income total. Keep in mind, the responsible party must begin payments before the exclusion is considered.

Introduction/FAQ'S
Supplemental to Eastway

The Montgomery County community supports a human services levy which may assist a person who would not otherwise be able to afford behavioral health services. Assistance may cover the full charge or a percentage of the charge based on your household size and income. We do this through a network of mental health providers commonly referred to as Providers. Someone from the office of the Provider is available to assist you in completing your application for Subsidy Assistance funding. To qualify for assistance you will need to fully complete an application for Subsidy Assistance, here on named Assistance. For the application to be complete, you must provide supporting proof of income documentation or complete a statement that you receive no income at all. Make copies of your proof of income and either attach to or have them accompany the Subsidy Assistance Application.

Why does Housing need to acquire the Medicaid card when we are not providing billable services? Obviously the case management referral source would already need to be pursuing this facet of documentation, but it has no bearing on the services we provide. Are we now required to obtain a copy of a Medicaid card/insurance card/Medicaid rejection letter prior to reviewing a referral?

No. This is an item that we agree to waive for the HOUSING-only programs.

Based on the previous clarification, we are obligated to terminate non-signers from subsidy assistance. Is that correct?

Yes. If a client refuses to complete the residency and income documentation, they are not eligible for Board subsidy.

So if someone ignores requests for income verification, how long before we withhold paying their rent subsidy, in essence initiating eviction?

If a person seeking housing refused to sign papers upon intake, they are not eligible for a subsidy from the Board. We expect documentation of reasonable efforts by SLS to obtain the income verification annually or at any time there is a suspected or known change of income.

As a practice, SLS staff may begin attempting to obtain updated financial verification as early as needed (to avoid a lapse in the annual documentation) if there is a concern that a client may refuse. A client should be informed immediately upon refusal that failure to sign may result in an eviction. Upon a client's refusal to sign the financial update documents, and after reasonable efforts to convince the client to sign, SLS should contact Beverly Tanamachi 937-443-0416 x125 to begin the UR process. ADAMHS would need to know if there may be a clinical need that is causing the client to refuse. If there is no clinical determination that could support an extension, SLS staff will be directed by Ms. Tanamachi to begin an eviction.
