Programs:

- Enter in the name of the program
- Under “Type” choose “Prevention Service”
- Click “Create”

Program Narrative:

- Clearly explain the proposed service, identifying any unique program characteristics. This is the section in which you will submit the required information outlined in the “Proposal Requirements” section of the RFP:
 - Description of how SOS program will be implemented
 - A list of proposed school(s) and data-driven rationale for why the proposed school(s) were chosen
 - Description of how Postvention Services will be implemented
 - (Optional) Description of Suicide Prevention Marketing Plan
 - (Optional) Description of Suicide Prevention Training Plan
- Identify all organizations in which a collaborative relationship exists for the proposed services, should include:
 - School(s) in which services will be implemented
 - Treatment providers that will receive referrals
 - Others
- Target population – Select “Universal”
- Priority Populations – Select “Risk Assigned”
- Identify Evidence Based or Promising Practices used in this program: In the “Other” box, enter “SOS Signs of Suicide Prevention Program”
- Upload all evaluation instruments you will be using – All instruments must be merged into one document to upload.
