

BUILDING PREVENTION WITH FAITH TRAINING

Are you searching for ways you can help prevent substance abuse within your faith community? Do you want to engage your faith community in prevention activities but don't know where to start?

Building Prevention with Faith Training will prepare faith communities in providing effective substance abuse prevention activities within the context of their faith tradition and culture.

Building Prevention with Faith Training includes:

- A six-hour training with Prevention Professionals
- A Building Prevention with Faith toolkit
- Two hours of technical assistance
- Handouts
- Ready-to-use PowerPoint presentation
- Other resources to help implement prevention activities
